	This Month Jul 19, 2019	Last Month Jun 19, 2019
Service to		
kWh Used	1443	1357
Service days	30	30
kWh/day	48	45
Amount	\$170.50	\$159.33

## Energy Usage History

## Keep In Mind

- Payments received after August 09, 2019 are considered late; a late payment charge, the greater of \$5.00 or 1.5% of your past due balance will apply. Your account may also be billed a deposit adjustment.
- The amount due on your account will be drafted automatically on or after August 01, 2019. If a partial payment is received before this date, only the remaining balance due on your account will be drafted automatically.
- Don't let the summer heat up your bill. During the summer your A/C works longer. Set your thermostat to 78 degrees to save money. Learn more at [FPL.com/SummerIsHere](http://FPL.com/SummerIsHere).
- The storm charge on your August bill will be removed to reflect final payment of bonds issued during the 2004 and 2005 hurricane restoration effort. There will be a true-up on a future bill, subject to Florida Public Service Commission approval. Learn more: [FPL.com/rates](http://FPL.com/rates).

### Preventing outages in a flash

July is the peak of lightning season. See what we're doing to prevent this natural phenomenon from causing interruptions.
